Edikan Udom  
Director, Human Resources  
FICS Group  
12 Algeirs Street  
Wuse Zone 5, FCT Abuja

Dear Ma,

I am so excited to inform you of my passing out parade (POP) ceremony which took on on the 2<sup>nd</sup> of March, 2023, having completed the one-year compulsory youth service which I embarked on since 18<sup>th</sup> of March 2022.

first and foremost, I give thanks to the almighty Allah (God) for making this a success and a memorable experience, secondly, my unfeigned gratitude goes to the entire FICS Group for the opportunity given to me to exhibit my technical know-how and also for sharpening it, this is a permanent stride that can never be erased in the story of my life, FICS Group's organizational culture changed my once dreaded service year to what I honestly did not want to end, all I can say is thank you!

Lastly, having worked as a cross-functional Technical Support Engineer, who provided technical support to the customers and with their devices, and also worked closely with the Web Developers, as a junior web developer, I would like to express my interest in being retained at the FICS Group as a Technical Support Engineer. Essentially, I am aware of the impending financial exchange license, and I am particularly interested in this branch because I have a rather non-formal financial education and an interest in stock and exchange, either way, I am optimistic that I will be a great asset to the continued growth of the FICS Group.

Sincerely,

Musa A. Almubaraq
